

Hello D2D parents & dancers-

We are all getting really excited for our upcoming show. Here is a list of important information to make our dress rehearsal and recital run as smoothly as possible. If you were with us last year most of the "procedures" have remained the same but we have made a few brief changes. I will start off with dress rehearsal and go step by step.

Dress Rehearsal- Saturday, May 6th

Each class was given a specific time that they will be rehearsing. Please have your dancer at the North Shore Center for Performing Arts on time in costume, with make-up and hair already done.

DROP OFF-You will drop your dancer off at the backstage door. It is on the east side of building, directly in the back. We will have balloons and sign marking the door. You can just pull up, walk your dancer in (younger girls.) There will be a D2D assistant to check them in at the door. From there we will walk them back to see the dressing rooms and get them ready to rehearse. You can park your car and go in the front doors to watch your dancers perform. Available parking in back lot, front lot and parking garage located directly behind the theater. The only parents that will be allowed back stage both on rehearsal and show day will be the volunteer room mothers. This is for security reasons. If you have any questions and or need to reach your dancer please just come to the front of the stage and ask one of the many D2D staff members.

The kids will walk through the dance for staging and then do a run through with the music. Please DO NOT take pictures at this time. It throws off our lighting queues and makes it extremely difficult on the lighting crew. After we do the dance you are free to take as many pictures as you wish.

CHECK OUT-You will come back to the same place (backstage door) to check out your dancer. All dancers will be dismissed this way. Please pick up your dancer directly after they finish ALL their dances.

RECITAL- Sunday May 7th 11:00am, 2:00pm & 6:00pm

The kids can begin to arrive for Show I at 10:15 pm, Show II 1:00 and Show III 5:00. You will drop dancers off at the same place as dress rehearsal (backstage door.) All dancers need to be back stage not later then 30 minutes prior to show time. Again, the only people that will be allowed backstage will be the room mothers. You can park and go through the front doors. Driven 2 Dance Company moms will be selling flowers the day of the show in the lobby.

PICK UP-After the show the dancers will be escorted to the lobby by teachers to be picked up. Each class is assigned a BALLOON that you will pick them up at. Please see attached sheet for what balloon you will need to go to. Please send one family member to get your dancer. The dancers will be at the balloons with D2D teachers and assistants. Please pick up your dancers and move along.

Reminders:

*Turn in your order form for DVD at D2D or you can bring it to dress rehearsal.

***We have regular classes through May 28th.**

Thank you to all of you in advanced for making this yet another wonderful year for our dancers!
